

ICAO 24 Bit Aircraft Address Request Form (Mode S Code Address)

Notes:

- Mode S code is only necessary for aircraft equipped with mode S transponder.
- Call sign must be already reserved for registration at Austro control GmbH.
- Mode S Code will be revoked after 6 month if aircraft is not operated.
- This request form can be faxed to the above noted fax number.
- See also LTH16A (Lufttüchtigkeitshinweis 16A) for coding requirements.
