

Sworn statement Russian citizens

I am aware of the fact that the European Union adopted a comprehensive set of restrictive measures in response to Russia's invasion of Ukraine in February 2022. Those measures relate also to the aviation sector and contain in particular a comprehensive ban on the export of goods and technology suited for use in aviation, the prohibition of provision of technical assistance and other related services in relation to aviation goods and technology to persons, entities or bodies in Russia or for use in Russia.

First name and surname:

I am a holder of a passport number issued in Russia:

Enclose a scanned copy of the passport page identifying its holder and validity period.
