11 Digital aircraft certificates

Instead of printed certificates the applicant applies for the issuance of digital aircraft certificates (see LTH 78). Additionally, the applicant confirms that they have established an Austrian certified electronic mailbox which is legally required for the submittal of digital certificates. They also agree that printed certificates will be issued and delivered by mail service if the certified electronic delivery fails for reasons within the applicant's control. The applicant also acknowledges the terms of use for digital certificates in accordance with LTH 78.
