Schedule for 2023

Examiner Refresher WEBINAR - Dates for 2023

According to **Regulation (EU) No. 1178/2011 FCL.1015**, in the last year of the 3-year validity period of an examiner's licence, the completion of an Examiner Refresher Seminar is required for the extension of the flight examiner's licence.

The above mentioned Seminar (recently held as a Webinar), is a course for the extension of existing flight examiner licences. The first acquisition of the flight inspector authorisation is excluded from this.

Agenda of the course according to AMC1 FCL.1015

- *Content of AMC2 FCL.1015 and the FEM*
- *Part-FCL and related AMCs and GM*
- *Operational requirements and related AMCs and GM*
- *National requirements*
- *Fundamentals of human performance and limitations relevant to flight examination*
- *Fundamentals of evaluation relevant to applicant's performance*
- *Management system of ATOs*
- *MCC, human performance and limitations*

Additional practical training prior to the mandatory Examiners assessment of competence (AMC1 FCL.1020) is recommended by the Authority, but is not a mandatory requirement for the renewal of the flight examiner rating.
