

Examiner Refresher WEBINAR Dates in English, **incl. Specific Trainings**

Schedule for 2026

Examiner Refresher WEBINAR - Dates for 2026

According to **Regulation (EU) No. 1178/2011 FCL.1025**, in the last year of the 3-year validity period of an examiner's certificate, the completion of an Examiner Refresher Seminar is required for the revalidation of the examiner's certificate.

The above mentioned Seminar (currently held as a Webinar), is a course for the revalidation/renewal of existing examiner certificates. The initial acquisition of the examiner certificate is excluded from this.

Agenda of the course according to AMC1 FCL.1015

- *Content of AMC2 FCL.1015 and the FEM*
- *Part-FCL and related AMCs and GM*
- *Operational requirements and related AMCs and GM*
- *National requirements*
- *Fundamentals of human performance and limitations relevant to flight examination*
- *Fundamentals of evaluation relevant to applicant's performance*
- *Management system of ATOs*
- *MCC, human performance and limitations*

Additional practical training prior to the mandatory Examiners assessment of competence (AMC1 FCL.1020) is recommended by the Authority but is not a mandatory requirement for the revalidation/renewal of the examiner rating.

We hereby point out that in accordance with FCL.1005.TRE/SFE (a) (5) resp. (b) (4) participation in a "SPECIFIC TRAINING" (additional 2 hours, following the Webinar) is required.

- Examiners who have already completed at least 3 years of TRE/SFE prior to the deadline (11/11/2019) do not require the Specific Training.
- All others must attend the Specific Training in order to be able to exercise the privileges according to FCL.1005.TRE/SFE (a) (5) resp. (b) (4), provided that they have already completed 3 years as a TRE/SFE.
